SUBJECT: State & Federal Legislative Matrix

SUMMARY:

The attached legislative bill matrix provides summaries of state and federal legislation relevant to SCAG activities and items of interest.

These legislative bills are organized by subject matter in the following categories: Air Quality, Energy, Environment, GovBondBills, and Solid Waste.

Bill summaries include known on-record positions for other statewide organizations following these issues such as the California League of Cities, California State Association of Counties, CALCOG, and others. Also included for your information is each bill's position in the legislative process. Any bills included in previous matrices that have failed to move as required by the Constitution and/or the relevant legislative deadlines, i.e., 'dead' bills, have been purged from the matrix.

Please feel free to contact me at (213)-236-1840 if you have any questions or wish to discuss any legislative bill or issue. Members of my staff are also available for your assistance; please contact Jeff Dunn at (213)-236-1880 or Charlotte Pienkos at (213)-236-1811 if you have any further questions.
